Pindyck, Ashley Beth

October 11, 1980-May 23, 2018

Ashley Beth Pindyck (our beloved Missy, Pi, Poopy, Princess, Peanut) passed away unexpectedly in Marin County, California, which came to be her favorite place other than her family homes in Milwaukee and Up North.

After struggling with life for many years, Ashley finally found a path toward happiness and peace over the last few years in California. She found a passion as a personal certified natural chef, teaching, preparing and serving natural foods. Her mantra was "Cooking Meals to Help Those Heal ". Ashley was an extraordinarily kind, loving soul, a bright light who touched the lives of so many. She had come so far, worked so hard, and deserved so much more.

Ashley leaves a whole host of family and many, many devoted friends from across the country. She will be forever missed by her parents, Candy and Bruce Pindyck, her twin brother Eben, her baby brother Blake, Michele, her treasured sister-in-law, and her twin two-year old niece and nephew, Maddie and Micah. All of us are so deeply grateful for the profound love and support our family has received.

A private family graveside funeral is being held for Ashley in Milwaukee. Her vast group of California friends plans a celebration of her life in Marin County, California.

Contributions in Ashley's honor may be made to the Pindyck Family Support Program at the Petit Pain Center, C/O The Medical College of Wisconsin (MCW), 8701 Watertown Plank Road, Milwaukee, WI 53226-0509
