“ Please accept my family's heartfelt condolences on the loss of your dear loved one. May you find comfort in fond memories, and The Almighty God's promise in the Bible, to restore those asleep in death to perfect life on a paradise Earth.

“ "and choirs of angels will sing her to her rest'. Wm. Shakespeare

It is hard to know why things happen the way they do. I wish I had some magic words that would make the hurt go away.

I never see a yellow rose without thinking of Debra. On my sixtieth birthday she sent a big bouquet to me at the office - I still have the florist vase they came in.

I don't know Debra's religious beliefs - but whoever is in charge has welcomed Debra with a big smile and a big hug. I offer to you my wishes for peace and my sincerest sympathy.
