“ Dave, my mind and heart return to the late 1950's when you and Donna and Marty and I truly enjoyed our first "couple's" experience - Alpha Lambda (then Phi Sigma Delta).. Those sweet times drifted into you and Marty as room mates in a dingy apartment in Madison and Donna and I living in a snazzy dormitory on UW campus in Madison. Our adventures of "going steady," being "pinned," engagement and marriage (you and Donna standing up for our wedding at Beth El) and all of us living in Madison with you in Med School and Marty in Pharmacy. Those were and are precious memories that make me smile right up until this moment. You and Donna were role models for a successful marriage and a pleasure to observe. You both gave it your all, right to the end. I'm proud of how you have lived your life with Donna right up to the last day. Donna was a lucky women - and - you were a lucky man. May Donna Lee Gendlin-Altman's memory be a blessing for you and all who loved her.

“ Dave, we are so sorry we won't be in Milwaukee on Wednesday for Donna's funeral. Please know how much we are thinking of you, your children and grandchildren during this difficult time. We cherish the wonderful times we had with you and Donna. You always opened up your Milwaukee home to us. We so enjoyed those visits and remember them like they were yesterday. Your over 60 years of marriage is a tribute to your lasting bond. Love, Nancy, Ben and Elsa

“ I have so many great memories, there is not enough room. Even though we weren't 'officially' family, she was and always will be Auntie Donna to me.
