

Robert Donald Shapiro

September 11, 1942 - February 11, 2021

Bob peacefully passed away in his home on February 11, 2021 at the age of 78. He will always be remembered for his wit and humor and cherished by all who called him Bob, Dad, Grandpa, Papa and Uncle Bob. He will live on in our hearts.

An actuary and consultant to life insurance companies and other related organizations for more than 50 years, he was respected for his “outside of the box” thinking and commitment to long-term visioning. He was a co-founder and of The Concerned Actuaries Group, who are developing a holistic analysis to improve our Medicare system.

Bob’s deepest love was always family. Born September 11, 1942, he was preceded in death by his parents Leonard and Adeline Shapiro. He is survived by his wife, Karen and five children: Lee Shapiro, Stacy (Dan) Baumgardt, Jenifer Shapiro, Tracy Shapiro, and Jeff (Dani) Shapiro as well as five grandchildren: Hunter and Sawyer Baumgardt, Evan Shapiro, Marcus and Mia Shapiro. Also survived by four siblings, Richard (Karen) Shapiro, Jon (Eileen) Shapiro, Sue (Tim) Hilliker and Brion Shapiro.
