“ *So many memories, so many years,
Decades full of laughter and tears.
Her generous heart, with love did abound,
A better hugger, I never found.
My heart overflows with sadness this day,
Rest in peace dear "Addie", is all I can say.*

*With much love and gratitude for having you in my life, "Edie"
(Kaplan)*

“ *One night I called Adrienne and told Her I think my ankle just broke.
She said, I will be right there. It was late by the time she got to my
place and determined that the ankle was indeed broken. She stayed
with me till the next morning and got me to a hospital. she gave
whatever she could. I could not ask for a better friend or for anyone
to show more love than what Adrienne had in her heart. She will be
missed so much.*
