“ *I'm so sorry for your family's loss. Andrew had and will always be a great friend of mine ever since we met back in Glen Hills. He always helped me through so many struggles growing up in tough family struggles, not to mention coming from the south side of milwaukee to a much more affluent community. Andrew will always hold a special place in my, as well as all our hearts. We love you so much Andrew!*

“ *My deepest sympathy to all in your family for the loss you have suffered. May you find comfort in your family, friends and the future promises in God's word. He has promised to end death forever and reunite us with our dear loved ones (Rev 21:4 & John 5:28, 29) May you continue to remember the fond memories of your loved one*
