“ Please accept my family's heartfelt condolences on the loss of your dear loved one. May you find comfort in fond memories, and The Almighty God's promise in the Bible, to restore those asleep in death to perfect life on a paradise Earth.

“ I have such fond memories spending time at the Shavzin household, babysitting through the years, for Richard, Jeffrey, David and Donna. I grew up on the same street and knew the children and Charlotte and Arthur well. I remember Arthur as a gentle, caring father and husband, who would always be sure to walk me home late at night after I babysat, just to make sure I got home safely, even though my own home was nearby. I extend my heartfelt condolences to the family.
