“ *My Uncle Bernie was one of my most favorite people. He was incredibly kind to me and Donna. He always had a smile and a good word. He always asked about my wife and boys, He always complained about the members of a certain political party and couldn't understand their pettiness and greed. I loved him very much and will think of him often; and hopefully with a smile on my face. To add to the family history, I am the son of his deceased brother, Sam; the nephew of his deceased brother, Dave; and the nephew of his deceased brother-in-law, Arthur Teplinsky. Our love to our cousins, who we don't see very often and often enough because we live in AZ. Jeffrey and Donna Kaufman*

“ *I'll miss Uncle Bernie dearly. Some of my favorite memories were riding my bike to his and Aunt Sylvia's house on Fairmount when we lived in WFB. I'm sorry we won't be able to be there with all of you.*

“ *I'll always remember Uncle Bernie as a man who always was concerned about others. He'd always ask questions about how family was. He sincerely cared about those around him. As a kid we'd go shop at his grocery store and he'd let me ick out a treat for free. I'd usually pick out a box of animal crackers. He took joy in seeing me happy that I got a nice treat. I send my love and condolences to the family.*
