“ *I am so sorry to learn of Beth's passing. I am sending prayers of peace, love and healing to Connie, Amy and the Holzman family during this difficult time. While I can't be at Beth's service, I wanted to share a memory that I will always hold in my heart.*

As a close friend of Amy's, I had the opportunity to meet and spend an afternoon with Beth and Robert. I found it to be both a beautiful and rewarding time. Beth had a sweet, gentle face, with delicate lips that so much resembled her mother Phyllis. Beth and Robert were engaged and loving. While they couldn't tell us what was going through their minds, they clearly enjoyed spending time with Amy. Beth spent much time hugging Amy's arm and holding her. Any time Amy was sitting nearby, Beth would reach out for Amy so she could hold and stroke her arm. It was my privilege to watch the love flowing between sister, brother and sister. It was a truly meaningful afternoon that brought joy to all of us.
