“ *So so sorry to have missed the online funeral for Aunt BettyAnn... and zoom time with the family...computer issues.*

My favorite memory of Aunt BettyAnn was when she and Aunt Janet led us in singing the Zien Family song while standing on chairs to see and be seen at our family reunions.

*And I always appreciated her greetings and great conversations when I stopped in to see her every time I visited Mom in Milwaukee. She always was a loving Aunt. My condolences to the whole family as we lost the last of “our great generation”. They will be missed.
