“ *The world lost an uplifting and genuinely good spirit. He continually reminded me what is important in this life and exemplified what it meant to be a caring friend. I will forever miss him, his sass and his snaps! I look forward to seeing you again my friend. Love, Nora*

“ *Bryan, you were one of the funniest, most optimistic people I have ever had the pleasure to call a friend. You truly understood the definition of friendship. I will treasure the memories of all of our Chicago and San Francisco dates! I watched you fight so long and so hard for the last years of your life. And while I can't believe I will never get to hear my favorite "shooooo!" again, the only comfort I have is that you are finally at peace. See you again one day, my friend. Love, Tracy*
