“ *My deepest sympathy to all in your family for the loss you have suffered. May you find comfort in your family, friends and the future promises in God's word. He has promised to end death forever and reunite us with our dear loved ones (Rev 21:4 & John 5:28, 29) May you continue to remember the fond memories of your loved one*

“ *I worked with Carl in the early 1960's at Alumatic as the plant controller, and then as the operations manager. Lamb Industries owned the company then and we worked with the general manager, John McGinnis, and the president of Lamb, "Rusty" Sissons." Those were interesting times (including the Cuban missile crisis!), but 50 years later I vividly remember Carl. He was an outstanding salesman and sales executive. I was delighted to see that Carl and Clara celebrated 75 years of marriage. My wife, Audrey, and I will be celebrating our 60th anniversary this year. So we'll look to the Manes' dedication as a paradigm. God certainly has and continues to bless Carl. He was a gentleman and a dynamic,super guy.*
