“ *Such sad news to learn of Charlotte’s passing. We had many good times together at PCS. She was the mother hen of all of us... regardless of our position within the company. We so enjoyed when she would bring along her sweet husband Richard to gatherings. Her laughter and fun nature kept us all entertained...she was very special. My condolences to the family. “ *I'm so deeply saddened to hear about Charlotte. She was such a cherished part of my time at PCS. I remember how often she spoke of her beautiful family, and I feel truly blessed to have shared such a meaningful chapter of my life with her. Sending prayers of comfort, strength, and cherished memories as you walk this journey and navigate the tender challenge of missing your wife, mother, grandmother and great-grandmother. May you find peace in the beautiful memories you shared and feel her love surrounding you always.*

“ I'm sorry to hear about Charlotte. She is the best. Her discussions at work were always about her husband, children and mostly grand children. I know people used to tease her that she only worked at PCS for the vacation and she agreed. Her time that she was with us is filled with memories. Charlotte was the Mother of the PCS Pharmacy Help Desk. We all loved her very much. She and I shared the same birthday albeit 21 years apart. I recently spoke to her on the phone with Richard on their anniversary and couldn't believe they were married 69 years. What a great accomplishment. God Bless you all; you had the best Wife, Mother, Grandmother, Great-Grandmother ever created. We will all miss her laughter and sparkle.
