“ *I have so many wonderful memories of Charlotte, and Art, as their neighborhood babysitter for many years, of Richard, Jeffrey, David and Donna. Charlotte was always so kind and generous and I always enjoyed being with all her children. I can remember in detail, some of the "escapades" we had while Mom and Dad were out! I send my deepest sympathies and lots of love to the family.*

*Aww, so nice to hear from you Janice. I'd love to hear some of the stories - I have heard from others that my brothers could be challenging! :) - Donna*

“ My favorite Art/Charlotte story was the day after our youngest son's (Joshua) 16th birthday party. There had been a ton of teenagers (we counted at least 150) over at our house, including blocking the street in front of the Shavzin's house, with loud music and dancing. When I saw them the next day, I started to apologize if we had disturbed them. Their response was: "Are you kidding? We turned off the lights, lowered the drapes and sat in our living room watching the kids. It was great entertainment and we loved it!"

*They were not only perfect neighbors, but kind, wonderful people.*

*Thank you Gregg. I never heard that story (or don't recall). My parents loved having you and Sue as neighbors, and we greatly appreciate your kindness over the years. - Donna*
