“ Chris will be so missed from the Sista love of 6 radiology St. Mike's friends from the late 70's. She was unique in every way. From clothes, jewelry, collections of many things, her puppies, cooking and fun, just plain simple fun. She loved AI, her family & friends. So sad to say "see you later" roomie. I already miss her voice, laughter, texts and 2a.m. emails. Love you. gale
