“ *My deepest sympathies to Connie's family and staff! Connie and I have been friends for over 35 years. Our friendship began as a customer relationship but continued on to regular phone conversations, luncheons and dinners over the years. He was a delightful man and dedicated to his family, employees and customers. I will miss him every day and regret not seeing him since the pandemic. Every time I look at one of the 6 fur or leather coats I purchased, I will smile at his memory.*

*Love and blessings to the family and staff,
Karen Coy-Romano*

“ *We will miss Cousin Connie! He was always so gracious and generous to our family when we visited. I fondly remember him taking us out for the BEST Chinese food ever whenever we came to Milwaukee. My heart goes out to you both Amy and Susy! Love,

“ *Mr. Holzman will AKWAYS hold a special place in my heart. Met him when I bought my coat from him. He had treated me special. He loved to kibbutz and he just was special to me. Rest easy Mr. Holzman, you earned your wings. Smile down on me once in a while. I will always think of you with love. Francine Blaha*

“ *Connie was such a dear person! His personality was so warm and funny and charming! And he had such a generous heart! He also was such an expert in his field! Every time I button my beautiful coat and feel the secure strength of the elegant buttons and the strength of the elegant button loops, I will think of Connie and how well he ran his business. He even showed me the place where the creator of a coat would “sign” his work...and (of course!) Connie PERSONALLY KNEW THE CRAFTSMAN WHO MADE MY COAT!! If I ever get back to Moy’s in Menominee Falls I will think of Connie when I again order their amazing chicken soup, which was Connie’s Favorite! I have tears in my eyes when I think of this dear man! My heartfelt condolences go out to his entire family. Everyone who knew Connie will miss him. Connie, your dear Memory will always be a blessing. God, you are in for a treat! With my heartfelt regards, June Kozak Kane (and my late mom Gertie Margolis Kozak and other relatives also adored him!)*
