I only met Danny a few times as he and Mara lovingly moved Mariann and integrated her into their lives. Every circumstance and interaction we had showed how much he cared for Mariann and vice versa. I am joining the many others who pray for your family.

“ We are both stunned and saddened by this tragedy. Dan was not only a lifetime friend, who shared our good and bad times, but someone who helped us throughout the years with major projects on our home as well as holding a corner of the choopah at our wedding. We have all lost a sweet, caring and gracious person. God bless all of his loved ones in this time of need.

“ I remember when I first met Danny. He was scooting around on his skateboard, sporting a 3" technicolor mohawk. Mariann was so proud of him. She loves his family so much: Wife Mara and his beautiful daughter. She would light up whenever they were mentioned and always had photos of them to share. My prayers for strength for Mara to get her through this tragedy, for the health of Mariann, the love of family to support each other in the coming months ahead. May God bless you all.

“ I did not know danny, but I have known Mariann for twenty years or so. What a seriously tragic turn of events. I am so sorry to hear the news. Hugs to all of you, and especially to Mariann.

“ I have no words, only Hugs. When I think of Danny, I think of his mom "taking him to the wall" with a smile. He became such a good son, husband and father. His mom was so proud of him.
