“ *I am very Sad to hear of my Cousin Daryl passing. I vividly recall many fond memories of he, his 2 brothers and I being together over the summers. Our Fathers were not only brothers but the best of friends. Rest In Peace my dear cousin,*

David, I've been trying to reach you. Thank you for your kind thoughts of Darryl and our family. Jerry passed away Sept. 2016. Darryl's passing was a shocker as well. Please call me: 972-795-7022, email: phe5@sbcglobal.net. Look forward to hearing from you.

“ With deep sadnesss I write. I met your dad when I was a little girl living down the street from your family. Our mothers became great friends and we were practically raised at one another's houses. Your father was always there with a smile and a shake of his head in disbelief of our mother's LARGE personalities for 2 very short ladies.

He was always at the kitchen table talking with us.

He was kind in every way. He was particularly good to my brother Danny not only as his physician but also as our very dear family friend. He was always available for Danny during his time of need and looked out for him seeing him through even past his retirement.

He was a wonderful dad and grandad to all of you 🥰.... always there,! And proud!

Daryl (Dr Eisenberger) the world has lost a very special man today...we love you. 💜
