I am so sad to read this. Dave was my first boyfriend. He was a terrific guy from a great family. I can't even count all of the wonderful times we had back in high school. I have said often that he was probably the best boyfriend I had and subsequent ones could have learned a lesson or two from him. We parted ways during his illness, but I ran in to him from time to time and it was always a pleasure to see him. Dave will always be a great memory for me and puts a smile on my face. Can't think of a bad thing about him. . My sincere condolences to Mrs. Borkin and Marla. I am thinking of you. May your wonderful memories carry you through.
