“ *We were fortunate to have Doje and Ralph as our neighbors on Wildwood Avenue in Shorewood. They were absolutely wonderful people, and were the first to welcome us in 1991. We were blessed to also call them our friends. Carol and Bob Clinkenbeard, Mequon.*

“ *Dear Nancy and Jim and Lori and extended family, Michael and I were so sad to read this morning that Doje had passed away. Your parents were such a big part of our neighborhood and such great neighbors. Our children were all sad to hear about Doje. Our children got to know your children and it almost felt like you lived two houses away too. We are thinking of you all and are very sorry to miss the service tomorrow. We will be out of town. We loved your parents and your whole family. You were all a big part of our life. Love to you all.*
