

Edwin Schnoll

April 22, 1927 - August 27, 2017

Schnoll, Edwin

Age 90, of Milwaukee, Wisconsin, Scottsdale, Arizona and most recently Knoxville, Tennessee passed away on August, 27, 2017 from complications of vascular dementia. Eddie was loved and cherished by everyone he met, but especially his daughter and son-in-law Dr. Ellen Schnoll and Terry Haywood, and his grandson and favorite “consultant”, Dr. Sam Haywood. He is also survived by children Barry (Beth) Schnoll and Amy (Ty) Lentz and grandchildren Dara and David Schnoll, Samantha Lentz ZumMallen and Aaron Lentz. He was predeceased by Dorothy Rothman Schnoll, mother extraordinaire to his children, and Betty Cohen, his sister.

Eddie was born in Milwaukee, Wisconsin to Harry and Mildred Schnoll. He graduated from the University of Wisconsin with a degree in electrical engineering and used that degree to travel the country and the world. He was most proud of a trip to the Vatican, where he designed lighting for areas not normally open to the public. He regaled those in memory care with this wonderful story- and of course was questioned by those who wondered if this Jewish man (with dementia) had really visited the Vatican. Eddie and Dotty also used their travels to accumulate a fabulous antique lighting collection, a collection he loved to share.

Eddie would tell you that he was “Fantastic” that he had a fantastic life- and he

made the most of every minute. He never met a stranger, and loved engaging with people. Eddie took care of everyone, especially those in the memory care unit, doing so until the end of his life.

A huge thank you to the staff at Elmcroft, who not only took care of his physical needs, but loved him for his kind, gentle spirit.
