“ I am so sorry to hear of Eleanor's death. I knew her the entire time she was at Shalom, and after, and she was one of my favorite people there. We spent many hours talking and laughing. Her humor was unequalled, as was her love for Wolfie and her sons. And she had the distinction of being one of the few that could banter with my father, of blessed memory, and also maintain his respect. She was a lovely woman who will be missed. I hope that warm memories will give her family comfort.

“ Eleanor was always very personable and easy to talk to. We always enjoyed spending time with her at the synagogue.
