“ Aunt Ellen was the warmest most inviting person I ever met she truly welcomed anyone and everyone whether it was with a smile or offering someone food cause she always had sooo many leftovers. She always gave good advice and only thought of what was best for others even when she herself may have not been feeling well or at her best she made sure the people she loved and cared about felt happy and healthy all the time she could change someone’s day just with a hug or a smile I know she did for me many times. Truly one of the most kind loving souls out there and she will forever be on my mind and in my heart.
