“ *I worked for Fred at Century right out of high school and still think about him from time to time. I left that job in the early 80's, but Fred helped to form me into the adult I am. He was a fair 'boss' and a wonderful friend...really a father figure. He even took me to the doctor once when I experienced a medical problem in the middle of the work day. He had my deepest respect. Both of my parents are now gone, so I understand the grief you're feeling. You have my deepest sympathies.*
