“ I didn't know Gary nearly as well as I wanted to. I was always talking with you, and I assumed that there would be so much time for the friendship between our families to blossom. I can say that there was no other parent in my acquaintance I respected more. His quiet cheerfulness always put me at ease, and his dedication to community service is an inspiration. I'm so grateful to have known him, even a little bit. There is a hole in our community, and I don't know how it can be filled. Gary was a blessing, and he has left immeasurable goodness behind him.

“ I am a recently retired Circuit Court Commissioner and Gary appeared before me several times. I saw a lot of young attorneys of various ilks and Gary was among the most caring and dedicated of them all. The news of his passing breaks my heart. My most sincere sympathies go out to his family and, believe me, his memory IS a blessing...
