“ Donna and family, Hans was a true leader and mentor in our great company, Northwestern Mutual and the Milwaukee agency office. I have very fond memories of Hans as I had the pleasure of doing some joint work with him. He was a strong advocate of "practicing what we preach". May he rest in eternal peace.

“ 41 years ago I was introduced to Hans. I had no intention of getting into the life insurance business as a career. Hans persisted and explained in detail the systems and processes successful agents adhere to. With his patience and guidance this has been a very fulfilling and rewarding career. I was so saddened to learn about his passing. Our condolences to the Moser family at this difficult time.

“ Donna: We were shocked and saddened to see Hans' s obituary in this morning's Journal Sentinel. What a special person! And so many fond/fun memories of Northwestern Mutual work together and outings with the two of you! We are out of town and unable to attend the memorial, but Joan joins me in sending our deepest sympathies on your loss. Joan and Peter Bruce

“ Hi all, I have so many memories with Hans growing up but more recently I really loved making strudel since I knew it would make him happy to eat it.
