“ *Happy earthly birthday grandpa Harvey! You were one of the most humble, gracious, kind people I have ever had the pleasure of knowing. You did not pass judgement on anyone and was extremely patient. You're silly jokes and the little animal noises you made are a fond memory I will cherish forever and loved my nickname maritchkee! When i play with matthew, I think of you and how you would have enjoyed him so much. Rest with our Father grandpa and I miss and love you so much!*
