Irene Ross Baum

October 3, 1943 - February 3, 2021

Irene Ross Baum left this world on February 3, 2021 to continue her soul's journey and to be reunited with her beloved husband of 44 years, Arthur Baum.

Irene was an immensely creative person. She saw beauty everywhere - in flowers, art, food, home design, nature, and people. She looked at the world with her heart and offered those around her a beautiful, calming presence. Her creativity carried Irene through many different paths, from realtor to owner of a gift basket business to artist and healer.

She was a fount of unconditional love that blessed the lives of her children and grandchildren beyond measure. Her love was like the rays of the sun - constant, strong, and life-giving.

In the last decade of her life, she found great meaning in the work of Bruno Groening and in the Circle of Friends community.

She will be deeply missed by her children, Carrie (Jessica) Love and Rachel

(Orrick Nahmmacher) Baum, her grandchildren, Jake and Zoey Nahmmacher-Baum, and by her friends and community.

Memorial Contributions to hungertaskforce.org or the Circle of Friends are appreciated.

I did not know Irene personally but we shared in numerous meetings of the Bruno Groening Circle of Friends. Irene often had words of wisdom and great insight to offer. I was saddened to learn that she had gone Home. Irene will be greatly missed in the COF. I feel grateful that I connected with her through the COF and hope that her family will find comfort in knowing that she touched the lives of so many. Irene, I believe you are now basking in the Eternal light of God. Sleep soft, my friend and I wish you a good reception.
