Jack Rubinstein,

February 10, 1935 - August 14, 2025

Jack Rubinstein passed away peacefully on August 14, 2025 at the age of 90. Reunited in heaven with the love of his life, Phyllis.

A proud U.S. veteran and MSOE engineering graduate, Jack's career earned him 18 patents. He was a racquetball champion in his 50s, an avid golfer until the end, and a devoted dog lover, especially to his faithful companion, Jersey.

Jack will be remembered for his loyalty and dedication to caring for his family—his children Laura Adair, Jill Ohde (Todd), and James Rubinstein; his grandchildren Jason Adair (Jennifer) and Lindsay Strunk (Patrick); and his great-grandchildren Jayden and Jax Adair.

His family will miss him deeply and take comfort knowing he's now at peace, likely on a beautiful golf course in the sky.

Private services.
