“ I met Jackie thru mahjong and thoroughly enjoyed knowing her and becoming a friend! And getting to know Lee was also a pleasure! I just wished we had gotten to know them sooner because they were a wonderful couple. They will both be missed and I'll miss Jackie and my talks! Our sympathy to her family! Love, Dorothy and Al

“ My condolences on the loss of your mom / grandmother. I have some great memories when you lived in Shorewood & we went to Lake Bluff together. Over the years I would run into her & she always remembered who I was. May her memory be a blessing.
