David Kristal - June 05, 2022 at 09:13 AM

“ I know her through you, my friend, and I am so sorry that she has died too soon, always too soon....I will call you in a few days or when you are ready to tell me about her. I know you are strong, generous, thoughtful, caring and focused...you came from her, so thinking she instilled such qualities in you. Love love love
