Jason Robert Lurie

September 20, 2022, age 37 years of Melbourne, Florida. Beloved son of Deborah and Alan Lurie and brother of Kyle Lurie, and dear to his aunts, uncles and cousins.

Jason was athletic and excelled in golf, soccer, karate, snowboarding, skateboarding, yoga and engaged in each with unbridled enthusiasm. He had a probing intellectual curiosity which fueled his never-ending quest for in-depth knowledge in a wide variety of subjects. He created an innovative custom clothes hanger whose launch was curtailed after his car was rammed by a truck and he suffered numerous injuries. The last 3 ½ years of his life were spent in constant rehabilitation. In spite of that, he lived an extremely healthy and disciplined lifestyle, always in constant search of improvement.

He loved to travel and explore the food and beauty of nature at each country he visited. Jason passionately observed and practiced his Jewish faith which deepened from his extensive time living in Israel. With the same fervor, he constantly probed to understand the world around him.

Private services were held.
