“ Sending my sympathies and condolences to the family of Dr. Jay Larkey. Not only am I one of the 5000 lives he brought into this world , he brought my son and daughter into this world to .It was a proud day for all being part of bringing another generation into the world.Dr. Larkey was so proud he rounded up his daughter who is also a Doctor for a family picture. So with a very big smile and a big cigar in his mouth a family picture was taken.He was a kind man and a very good doctor who will be missed. May he rest in peace. Mrs. Eileen Borkowski. Delafield WI.

*“ I knew Dr Larkey from Mount Sinai Hospital, where, in 1973-1974, I was a new nurse in L/D. He was a roaring presence in my life at that time. When I think of those years, it is his image that comes to mind. Rest in Peace, Dr Larkey*
