“ *I remember seeing Uncle Jerry and my dad beside a very large and old cash register. Above them was a pair of size 68" jeans. I'd come into the store on a wknd and he'd take me over to the lunch counter and let me get anything I want. Pivar (Milt) and Lewis (Jerry) made a better team than Martin (Dean) and Lewis (Jerry). I wish you didn't have to leave us so soon.*
