Jonathan. You were my favorite team member at Walgreens. I've been looking for you as I hadn't seen you in a few weeks. God Bless you. I'll miss you. Thanks for always being nice to me and my husband, Rodney.

“ Jonathan was our neighbor who lived across the street from our family when I was growing up on Broadmoor Rd. Back when we were kids my brother and I called him Johnny. We spent many hours running around playing in our backyard and visiting one another's houses. When I graduated from high school, I moved to Boston, but I reconnected with Johnny recently through Facebook. I met up with him in the summer of 2023 at the Friendship Circle Cafe where he gave me and my daughter a tour. I was so impressed with the amazing community that he had there. I had planned to meet up with him again this summer, but I will have to stop by the cafe in his honor instead! Johnny you'll be missed. ❤️

“ Jon was a busy young man, living life to the fullest...with his work at Walgreens, his commitment to the Friendship Circle and Special Olympics. But he never forgot to make a loving call to check up on his elderly Aunt Kay and Uncle Bob. His Uncle Bob was Jon's Mother's brother. Bob was ill for a number of years and it always brightened his day to hear from Jon and Rachel and all the activities they were so excited to participate in. Bob also passed away in this sad month of Febriary. Jonny, you will be so missed by all who knew and loved you.

“ I have known Jonathan and Rachel for many years now and was shocked to the core when I heard the news. He was so young and vibrant and always seemed to be happy and friendly to everyone he came into contact with. He and Rachel were such a sweet couple, always doing for others. He will be missed by everyone who knew him, his friends, and the people who would see him at work at Walgreens. He was a vital part of the Friendship Circle where he also volunteered his time and smiles. I am still trying to process this loss as it was so sudden and unexpected and painful for all who knew and loved him.

“ I will treasure the memories of my friendship with Jonathan. To think he's gone is just surreal. He was a sweet guy, had such a positive attitude in life, full of smiles, and so genuine. I enjoyed the many times I gave him a ride on my motorcycle and when he hung out at the festival at the church where I work. I loved how much he loved firefighters and police. He had such enthusiasm and joy in doing all of the things that kept him busy. His love for and devotion to Rachel was so obvious and heartwarming. I will truly miss him. ~ Theresa Moniot Olivares

I loved reading Theresa's piece because it described our beloved Jonathan so well. His death was so sudden it is truly surreal. I can still feel his always warm smile and hugs and I loved seeing the love and devotion between Jonathan and Rachel. We will all miss him so much, and at every family gathering I know we will still feel his presence. May he rest in peace knowing how loved he was. With hugs and love from Cousin June Kozak Kane.

“ Jonathan was very devoted to Rachel. He was so friendly at Friendship Circle. It was a delight to visit with him when I met friends there, even though I did not know him very well. He made us feel comfortable when we saw him. He was a hard worker and always did a great job. I always looked forward to seeing him when he was working. He will be so missed.
