“ *Dear Marty and Lana, I am thinking of your mom today and sending you my deepest condolences. I am grateful I was able to see her a few years ago when Marty and Kelly took me to the Sara Chudnow Home. She was always kind and generous with us Habonim kids when we were growing up. I was always impressed with your devotion to her, you together with your dad were a model of a loving family. We shall hold our memories of her deep in our hearts.*
