“ *Karen lived across the hall from me at Chai Point, and I quickly grew quite fond of her, she was so gracious and reminded me of my Mother. She occasionally surprised me with gifts and cards for no particular reason. I already miss her so much, and she and her family will remain in my thoughts and prayers.*

“ *To all of Karen's Family,*

Karen and I worked together at the Catholic Home, and she was loved by her coworkers, the residents, and especially by all the visitors whom she welcomed with her wonderful smile and compassionate personality. Karen's sense of humor and thoughtfulness toward everyone made our days bright. And how she loved her family! She was so proud of all of you. Thoughts are with you for comfort and peace in the days ahead.
