As an avid golfer, Kay was proud of her 3 hole-in-ones. Along with her love of all sports, Kay enjoyed summers on Trout Lake, needlepointing, reading, her many friends and most recently, painting. Kay will forever be remembered for her sense of humor, generosity and deep love for her family.

Kay was comforted knowing she would be reunited with Billy at the turn.

We would like to give special thanks to Renee of Vitas Hospice Care for her honest and compassionate care.

In keeping with Kay's wishes, no funeral services will be held. A Celebration of Life will be held at Trout Lake this summer. In lieu of flowers, donations can be made to the Northwoods Wildlife Center, 8683 Blumenstein Rd Minocqua, WI 54548.
