“ *My cousin Kenny as a child had the best sense of humor . He was athletic with his family and an expert skier. As one of his many cousins , I spent the most time with him since we were close in age . I mourn with the rest of your family .*

I would be ever grateful if one of the Bahcall family (which is also MY family on my mother's side) would reach out to me to talk about my beloved cousin . Thank you 🙏

“ I made some spelling errors before because of this shock .My name is Nancy (later changed to Nanci Kline) I was the oldest cousin of Kenny , Jim and Steve . I was extremely close to them , as well as their parents , my only aunt and uncle. I would like to know what happened since I am blood family and do not wish to disturb Aunt Barbara at her age and because of her grief. My number is (570)213-2986 and can be called any time . My e mail is nancymk02@yahoo.com This saddens me greatly because of our close ages and we played alot , almost daily together as children and sadly we all lost touch after our grandparents passed away .
I am also on face book as Nanci Kline , living in Pennsylvania now . I am again so saddened and please contact me what happened as I am and will always be family . Thank you My condolences to my Aunt Barbara .
