“ Lee was always so nice and friendly to talk to and be with! We didn't know Lee for that many years but felt very close to both Lee and Jackie! It was easy to feel close to such nice people. So sad but will always remember him! With love, Dorothy and Al Meyers

“ May his Memory be for a Blessing. Joy & I were friends when we were at Lake Bluff School together. I have memories of play dates & overnight sleepovers. He was part of my childhood & I know he will be missed.

“ sending my condolences, I am also sharing my memory of Mr. Katz. As neighbors, we would be playing basketball on his driveway with Steve, working pretty hard and he would be watching and smiling while smoking his pipe.
