“ *I heard about Lowell's passing from his longtime friend, Harold. I was so sad to learn of it but felt blessed to have known him. I only knew him as an online friend, but I felt as if I had met him. We shared a love of trivia and puzzles at a trivia website, and he always brightened everyone's day with his enthusiasm and positive outlook. I will miss him. My heartfelt condolences to Judy and all his loved ones.*

“ *Judy, We were so saddened to hear of Lowell's passing. Your amazing care of him will be remembered by all; what a treasure he had in you. We will miss his liveliness and wit, and look forward to giving you our condolences in person when we are next in Wisconsin.*

Judy, with sadness I write this as I heard from Jerry Blanchard that Dr. Smotkin had passed away. I am sorry for your loss and empathize with you and your family.

You are all in my prayers and thoughts. May you know Gods peace and comfort, especially during this Hanukkah season.

*Love & prayers,
Joe Wentworth.*
