“ *Safta was a cornerstone of the family. She made sure to always keep in touch with me and my siblings. For over 20 years Safta would call us every Sunday. I will miss these calls and the conversations we had.*

Safta would constantly remind me to focus on myself and to develop myself, stressing that education and healthy relationships are at the core of one's success and well-being.

Safta helped me deal with many of my most complex life decisions. I always consulted her because I found her wisdom and advice always held true in principle.

I truly value her input in my life, she had a great impact on my thinking and development.

I will always remember her as an elegant, wise, and loving Safta who supported me throughout my most important years.

Safta, I will always miss you and love you.

“ I have so many memories of Marie. I was invited to their Lakehouse very often by my friend Nancy, and enjoyed so much time with the family. From a little girl on I always remember what good taste Marie had and what a sense of style.
