“ Mark was a wonderful neighbor and friend to us for many years in Bayside. we  
We were very sad to hear about his passing. My last memory of Mark was coming over and waiting for our last belongings to be loaded on moving truck found for Florida. Mark, my husband & I were huddled in our brutally freezing garage for over an hour. It was April in Wisconsin and the winds were blowing and it was raining sideways. He stayed with us until everything was on the truck. He wasn't one for sharing his feelings outloud, but his actions spoke volumes. It was a profound moment for him and for us.
