“ *I was sad to hear of the passing of Marsha. I felt a certain connection to her when I cared for her. I liked her spunk, even when she was not feeling well. I enjoyed meeting all of you. I hope you all find peace.*

“*Marsha and I co-lead a Brownie/Girl Scout troop some 30 years ago, when her daughter Caryn and mine were in 2nd or 3rd grade. We once did a sleepover with at least a dozen other troops in a school gym. We did not sleep a wink, but we did have fun.*

She was so full of ideas and energy - and loved working with children (especially her own.) Marsha knew children and how best to reach them emotionally and academically. I learned so much from her over the years and enjoyed our many conversations.

Marsha was so proud of and deeply loved her husband and her three daughters. Her passing also leaves a hole in the hearts of the MJDS and the CBINT communities. She will be missed by so many.

Sending love and comfort to her family. May her memory be a blessing.

“*All my love to the family. I had the great fortune to work with both Marsha and Lani at MJDS. Marsha volunteered her time to help provide fun and enriching math opportunities for students. She not only dedicated herself to the students, but helped me grow as a teacher. She will be missed dearly.*

Marsha was such a special member of the MJDS family. I could always count on her to come into my office and privately “tell it like it is.” Her honesty and clarity of vision contributed greatly to my knowledge of how to run a school. Doris Shneidman

I had the honor of teaching all three of the Denny girls in K4. Marsha was a devoted and loving mother and volunteered in the classroom as much as she could when time allowed her away from her own classroom. She was one of the most energetic women I have ever known...always willing to give of herself. Her smile and wonderful sense of humor always lit a a room. I send love to her sweet girls and to Sam. May her memory always be a blessing to all of the family.

My most sincere condolences to Marsha's family. I only knew her about a year as my hard working Chief Inspector on elections at the Mequon City Hall, but I know she loved her family dearly.

I so miss my dear friend. We formed an unlikely bond freshman year Washington University, 50 years ago...a southern girl from Charleston, SC and a Midwestern force to be reckoned with from Chicago! She impacted my life in more ways than I can express. Still does.
