“ *I first met Marvin in the 1970's when I was a Nursing Home Surveyor for the State of Wisconsin. He was easy to work with and we got along very well. .*

Later he hired me as Administrator of a 64-bed Nursing Home located in Sheboygan. Needless to say, within 3 months after I started, he sold us (Greendale Health Care Center) to Beverly Enterprises, which turned out to be a win-win situation as Beverly was a great company to work for. I kept the job for 16 years until I retired.
