“ *Oh dear Dr. Jim my heart is broken for you and your Family. Had I have known in time I would have come and shared a prayer. Please always know and remember your Dad is truly in a better place ! Of that have no doubt! He will always be with you and yours and you will know he is around you. How proud he had to be of all of his children, grandchildren and wife ! Dear Mr. Winston you should know that your son Dr. Jim truly saved my life ! I know he knows that now from Heaven as he watches over all of you ! God Bless you all... Love and Blessings...
