July 5, 1927 - June 15, 2025

Miriam "Micki" Peck,

(nee Beck) June 15, 2025, age 97, of Fort Lauderdale, Florida, formerly of Milwaukee, Wisconsin. Beloved wife of Bernard Peck (OBM). Cherished mother of Karen (Alan Katz) Peck Katz and Jodi (Les Weil) Peck. Dear sister of Carol (Howard, OBM) Orloff. Adoring grandmother of Adam (Laura) Peck, Camilla (Jonathan) Adelman, Rebecca (Seth) Wahlberg, Elizabeth (Scott) Behrendt, David (Melissa) Weil, Kirk (Susan) Weil, Kelly Weil (OBM), and 12 great-grandsons. Further survived by other relatives and friends.

Miriam was born in Chicago on July 5, 1927, to Rosalyn and Otto Beck. Her life was rooted in love, tradition, and a deep commitment to her family and community. A lifelong supporter of charitable causes, Miriam was deeply involved with the Peck Foundation. She lived her life with compassion and generosity.

A perfect night for Miriam was dinner with friends and then on to the theatre. Her family and friends meant the world to her. She was an excellent listener with impeccable common sense, making her everyone's sounding board.

She loved surrounding herself with beautiful things whether it was art or stunning flowers.

A celebration of Miriam's life will be held on Sunday, June 22, 2025, 1 PM at Congregation Shalom, 7630 N Santa Monica Blvd, Fox Point, and will be live streamed on YouTube @congregationshalommilw.
