I worked with DR.SABLE at MT. SINAI hospital I scrubbed on one of his first cases in surgery. He was a very caring person to all that came in contact with him. One of my friends worked for him at the clinic as his medical assistant (JOYCE) i remember telling her he was a very nice person to work for. I knew him the 1960's @ SINAI just wanted to say good-bye . JANE R> SHEEHAN -LUCCHESI GLENDALE ,WIS
