“ I first met Myrna at Wisconsin Avenue in the early 1990s. She was our Mentor, Reading Specialist , Building Representative, but most importantly, our friend. We were a bunch of new green teachers and Myrna was there for every one of us. She had a wonderful sense of humor and we all looked to her for advice- both personal and professional. She will be dearly missed by many. May loving memories bring you peace, comfort, and strength. Mari Gutierrez

“ Myrna and I taught together at Congregation Shalom Religious School for many years. In fact, before I even started teaching there, I observed in Myrna's classroom. She was a mentor to me. She connected so easily with other teachers and with her students. She had a great sense of humor and fun. I send my sincere condolences to the family on your loss. Carol Ross
