“ 9/13/17:

*I was a friend of Norm via the Riverwest Elders social group. We chatted many times, in person or via phone. I really enjoyed his friendship. He was a very special person, who I will always remember. I also donated several times to the American Lung Assn/Milwaukee (who I volunteer for) in his honor.*

*Please let the Riverwest Elders know if there is a future memorial. I'm sure many of his friends would love to attend. You can contact me and I'll forward the information to the group.*

*Peace to you all,*
